

**PATHWAY 2 CHARTERSHIP EXAMINATIONS 2010/2011
SURGERIES**

Purpose: A surgery session in response to the Pathway 2 Chartership system.

Pathway 2 Chartership oral examinations will take place in November 2010 and May 2011. Building on the success of our Professional Practice Revision Seminars which ran for 21 years, we are offering a two-part surgery to help people prepare for the P2C oral examination.

Format: There will be three sessions per surgery focusing on the main P2C topics:
Topic A - Professional Practice
Topic B - Legal and Planning
Topic C - Contracts

Prior to the surgeries, candidates will be allocated a question from a selection of written exam questions, to be prepared for each session. We still invite candidates to submit new questions.

You need to attend all three sessions to cover the P2C syllabus.

Programme: Tuesday evenings, commencing 6.30 pm for approximately 2 hours.
